SEA GIRT, N. J., Aug. 30.—Gov. Stokes of New Jersey and Brig. Gen. Frederick D. Grant, U. S. A., commanding the Department of the East, were among the thousands of spectators observing the progress of the crack riflemen of this country to-day at the national team match.

Gen. Grant was the guest of Gov. Stokes and was entertained by the latter at luncheon at the "Little White House," the official summer residence of the Governor of New Jersey.

The thirty-seven competing teams reported to-day at 200 yards for rapid-fire shooting. As they finished the rapid-fire work, they moved back to the 300 yards range for ten shots at a target.

WRIGHT DEFEATS  
HOBART AT TENNIS.Boston Expert Will Meet Ward in  
Final Set for United States  
Championship.

NEWPORT, R. I., Aug. 30.—Beals C. Wright, Boston, won the all comers' tennis tournament to-day, defeating Clarence Hobart, of New York, in straight sets, 6-4, 6-1, 6-3.

Wright will meet Holcombe Ward tomorrow for the championship of the United States.

Kramer and Lawson Will  
Ride in Heats to Decide  
Which Is Entitled to  
Win a Championship.

The best race that has been run during the present indoor season at Madison Square Garden will take place to-morrow night when Frank Kramer and Lawson will ride in heats to decide which is entitled to win a championship.

Kramer has time and time again demonstrated his superiority over all the star short-distance men in this country, while Lawson has just returned from a trip to Europe and Australia where he defeated everything in sight. Up to a few weeks ago, when Lawson, accompanied by Floyd McArthur, put in his appearance upon the scene, Willie Penn was the only man who seemed to be a match for Kramer, and the latter seems to have just a shade on him.

With Lawson, however, there is a different race, as it took Kramer's life, with everything in his favor, to run a dead heat with the former at Vailsburg last Sunday night. To-morrow night's race will prove conclusively which of the two is the better.

IS SUSPENDEDWas Too Anxious to Get Away  
from Post with Shot Gun Even  
After Repeated Warnings  
from Starter Cassidy.

Arthur Redfern has been set down for the rest of the Sheepshead meeting by Starter Cassidy. Redfern was too anxious to get away from the post with Shot Gun in the first race yesterday that he broke through the barrier three times and delayed the start.

Bill Phillips, who started in the Partridge Stakes yesterday, was backed heavily by a number of the wisest bettors to finish third. Bill could not get up a sweat, and although Jockey Redfern rode him for all he was worth, the best he could do was to finish eighth.

Tommy Burns showed a great reversal of form in his riding of the two mounts he had in the Partridge Stakes. He was humped frequently, and despite the interference he put up such a vigorous finish that he managed to get inside home the winner by two lengths.

Dear Sir: I am writing you to accept the challenge for consideration I offer for your scrutiny what has been called the "National League" rule in 1901. It was not liked by the American League players, who refused to have it until 1903, when the Cincinnati Peace Conference took place. After a long discussion the Americans accepted it.

HIGHLANDERS NEED  
A STIRRING UPTeam Just Now Is Playing in That "Don't  
Care" Streak That Loses.BY ALLEN SANGREE.  
(Special to The Evening World.)  
DETROIT, Mich., Aug. 30.—What's the matter with the team to-day? It doesn't seem the same old team. They play listlessly, as though it didn't matter whether they won or lost. They seem to be in a "don't care" streak.

Detroit team, one Yankee, whose father was the virgin forest of North America for a living, but Griffith told that Detroit would win this afternoon.

"From the way your club is playing now," said Yankee, "I figure you to finish about seventh, and if you want to win white-haired boy."

Now, Yankee is a millionaire in his father's name. He is a sportsman and a sportsman. He is a sportsman and a sportsman. He is a sportsman and a sportsman.

No answer has been received from Jeffries. The fight is not to be trifled with. He is a man who is not to be trifled with. He is a man who is not to be trifled with.
